Novato Sanitary District Board Appoints Gary Butler as New Director

The Novato Sanitary District Board of Directors is pleased to announce that it has unanimously appointed Mr. Gary Butler to replace Director Michael DiGiorgio who passed away recently.

President of the Board Jean Mariani noted that “after a deliberative search, the District had seven well qualified candidates to choose from. Gary Butler’s background and training bring a new perspective to the District that the Board believes will help advance the District in a fresh and productive manner. We are looking forward to working with him.” President Mariani also noted that the “Board is grateful to all the candidates that took the time to apply for the position.”

Gary has 25 years of professional insurance and risk management experience, much of that time in executive and management roles. He is a skilled leader and has experience in finance, budgets, IT systems, operations, and creative problem solving.

Director Butler is also active in the community. Mr. Butler served as Vice-Chairman of the Novato Planning Commission. He is currently a Board Member of the Rotary Club of Ignacio, and a Board Member/Treasurer of the Club’s Foundation. He is also a former Board Member of the Downtown Novato Business Association, and is a graduate of the University of San Francisco with both a BS degree in Accounting and an MBA in Finance.

The District welcomes Mr. Butler to the Board and is grateful for the service he will be providing to the community as a director.
